

ASCI Joint Symposium with HOLISTIC APPROACHES IN CARDIOVASCULAR DISEASE 2024

August 4, 2024

Hotel Ritz Carlton Jakarta, Indonesia

Hosted by the Indonesian Cardiocerebrovascular Society (ICS)

Program Information

- **Date:** August 4, 2024 | **Venue:** Hotel Ritz Carlton Jakarta, Indonesia
- **Session:** Joint Meeting ICS and ASCI

Time (Local)	Title	Speaker
	Multimodality imaging in cardio-oncology	Moderator: Dr. Lusiani
08:30 - 08:50	Role of Echocardiography in Cancer therapy-related cardiac dysfunction management	Dr. Sally Aman Nasution
08:50 - 09:10	Role of MRI in Cancer therapy-related cardiac dysfunction management	Dr. Lynette Teo
09:10 - 09:20	Discussion	
09:20 - 09:40	Coffee Break	
	Multimodality imaging in chronic coronary syndrome	Moderator: Dr. Ryan Ranitya
09:40 - 10:00	Role of coronary CT scan and CT-FFR in chronic coronary syndrome	Dr. Shinichiro Fujimoto
10:00 - 10:20	Stress CMR in Chronic Coronary Syndrome	Dr. Heltara
10:20 - 10:30	Discussion	
	Multimodality imaging in Thromboembolic Ischemic Stroke	Moderator: Dr. Lukman H. Makmun
10:30 - 10:50	Echocardiography to evaluation Ischemic Stroke	Dr. Hamed Omar
10:50 - 11:10	Cardiac CT in ischemic stroke and preprocedural LAA occlusion	Dr. Richa Kothari
11:10 - 11:20	Discussion	

Greetings from the Chair of ASCI School and Director of ASCI Joint Symposium

Prof. Jongmin Lee
Chair ASCI School

On behalf of the Asian Society of Cardiovascular Imaging (ASCI), it is a great pleasure for us to hold ASCI Joint symposium with HOLISTIC APPROACHES IN CARDIOVASCULAR DISEASE 2024 in Jakarta, Indonesia. After the foundation in 2006, the ASCI has grown by leaps and bounds based on the devotion of many excellent leaders and members. For concentrating ASCI's academic resources and for more efficient conduction of ASCI's academic activities, an ASCI's sub-organization, the ASCI School is founded in 2018. One of the ASCI School projects is the 'Joint Symposium,' which aims to promote the appropriate use of cardiac imaging in Asian countries and regions, as well as to foster the exchange of expertise across national borders.

We are grateful for the continued support from ICS, which has enabled us to hold this symposium for the fifth time. This is the second in-person symposium, following three online events due to COVID-19. We hope this symposium will be a great opportunity for all participants to update their knowledge. We extend our heartfelt thanks to ICS for their warm hosting of this symposium and their generous and considerate hospitality. We wish both societies much progress in the future.

Prof. Kakuya Kitagawa
Director ASCI Joint Symposium

Greetings from the ICS President

Dr. Ika Prasetya
Widjaya

On the behalf of Indonesian Cardiocerebrovascular Society (ICS), we are honored to host the ASCI Joint Symposium with Holistic Approaches In Cardiovascular Disease 2024. Cardiocerebrovascular diseases remain to be one of the leading causes of death in many parts of the world, including in Indonesia. Since its establishment in 1999, ICS has continued to facilitate many health care providers in developing their knowledge and skills regarding the management of cardiocerebrovascular problems. Every year, numerous medical breakthroughs are changing the way we treat the diseases. Therefore, we need to constantly renew and enhance our expertise.

Hopefully, this symposium will help all the participants in gaining the most recent updates on cardiocerebrovascular imaging. We sincerely thank ASCI for their cooperation in this symposium and may both societies continue to thrive in the future.

Profile of ASCI Speakers

Dr. Lynette Teo

Dept. of Diagnostic Imaging
National University Hospital, Singapore

Dr. Shinichiro Fujimoto

Associate Professor
Department of Cardiovascular Biology and Medicine, Juntendo University Graduate School of Medicine, Japan
s-fujimo@tj8.so-net.ne.jp

Dr. Richa Kothari

Radiology Consultant
Narayana Hrudayalaya, India
richa.kothari@yahoo.com

Profile of ICS Speakers

Dr. Sally Aman Nasution

Consultan Cardiovascular

Faculty of Medicine Universitas Indonesia, Cipto Mangunkusumo
Hospital, Indonesia

sanasution@gmail.com

Dr. Heltara

Consultant of Interventional Radiology

Faculty of Medicine Universitas Indonesia, Cipto Mangunkusumo
Hospital, Indonesia

Heltara.ramandika@gmail.com

Dr. Hamed Omar

Consultant Cardiology

Department of Neuro-Cardiology, National Brain Center, RSPON, Indonesia.
