# **ASCI Joint Symposium with Taiwan Radiological Society and SCCT Taiwan 2025**

---

**December 20, 2025**

**National Taiwan University, Taipei, Taiwan**

**Hosted by the Taiwan Radiological Society (TRS)**

## Program Information

- **Date:** December 20, 2025 | **Venue:** National Taiwan University, Taipei, Taiwan
- **Session:** Joint Symposium TRS, SCCT Taiwan and ASCI (Hybrid)

Time (Local)	Title	Speaker
<b>Strategy of Coronary CTA with Heavy Calcification</b>		
09:00 – 09:10	Opening Remarks	Prof. Yung-Liang Wan, Prof. Ming-Ting Wu
Moderator		Dr. Chun-Ku Chen, Dr. Li-Ting Huang
09:10 – 09:35	Blooming: artifacts or art?	Dr. Min-Fang Chao
09.35 – 10.00	Calcification: when EID CT not die?	Dr. Chiao-Hsuan Chien
10:00 – 10:20	Tea Break – SCCT Taiwan Announcement	
Moderator		Prof. Ming-Ting Wu, Dr. Min-Fang Chao
10:20 – 10:55	How to count on photon-counting CT?	Dr. John Hoe (online)
10:55 – 11:25	AI Software Case Demo	Careverse, Pulse, AiMedics (online)
11:25 – 11:50	Real-World Practices in Cardiac CT: Protocols, Cost, and Emerging Technologies	Dr. Wen-Jeng Lee
11:50 – 12:00	Closing	Prof. Yung-Liang Wan, Prof. Ming-Ting Wu

## Greetings from the Chair of ASCI School

Prof. Whal Lee  
Chair ASCI School

On behalf of the Asian Society of Cardiovascular Imaging (ASCI), it is a great pleasure for us to hold the ASCI Joint symposium with Taiwan Radiological Society (TRS).

After the foundation in 2006, the ASCI has grown by leaps and bounds based on the devotion of many excellent leaders and members. For concentrating ASCI's academic resources and for more efficient conduction of ASCI's academic activities, an ASCI's sub-organization, the ASCI School was founded in 2018. One of the ASCI School projects is the 'Joint Symposium,' which aims to promote the appropriate use of cardiac imaging in Asian countries and regions, as well as to foster the exchange of expertise across national borders.

We hope this event provides all participants with a valuable opportunity to update and expand their knowledge. We would like to express our heartfelt thanks to TRS for their warm hosting of this event and their generous and considerate hospitality. We wish both societies continued collaboration and progress in the years ahead.

## Greetings from TRS

Dr. Yung-Liang Wan  
Executive Supervisor  
of TRS

On behalf of the Taiwan Radiological Society (TRS), it is our great pleasure to welcome all distinguished speakers and participants to the 2025 SCCT & SCMR Educational Course, held on December 20, 2025 at National Taiwan University College of Medicine – Lecture Hall 101.

This year's program highlights a Joint Symposium between TRS, SCCT Taiwan, SCMR and ASCI, featuring an exceptional lineup of international and local experts. The sessions will cover a wide spectrum of cutting-edge topics in coronary CTA, photon-counting CT, AI-assisted cardiac imaging, and clinical applications of CMR—providing participants with a unique opportunity to update their knowledge and share practical experiences.

We sincerely thank the Asian Society of Cardiovascular Imaging (ASCI) for its collaboration and support in promoting this event among its members. We also extend our appreciation to the moderators, speakers, and members of the Cardiovascular Subcommittee, chaired by Dr. Yung-Liang Wan, for their dedication and invaluable contributions in making this hybrid symposium a truly meaningful platform for academic exchange.

We hope this meeting will foster further regional collaboration in advancing cardiac imaging education and patient care.

Welcome to Taipei, and we wish you an inspiring and rewarding learning experience!

## Profile of ASCI Speakers

---

**Dr. John Hoe**

*Consultant Radiologist*

Diagnostic Radiology

Mount Elizabeth Hospital, Singapore
